## Paw Festival nets 23 forever homes

Paw festival pet costume contestants

On Saturday October 28<sup>th</sup>, 2017 the City of La Porte Animal Shelter and Adoption Facility hosted the Paw Festival as part of the October *National Adopt a Shelter Dog Month*. The adoption efforts started on October 24<sup>th</sup> and ended on October 28<sup>th</sup> with the Paw Festival activities. 23 animals were paired with forever homes during this short period of time.

The festival included snacks, drinks, and activities such as a jump house and a pet costume contest pictured above. This adoption period was partially funded by Triumphant Tails, Inc. a Texas-based canine welfare organization comprised of dedicated animal lovers committed to the rescue, training, rehabilitation, care and placement of unwanted, homeless, sick and/or abused animals into new homes dedicated to providing them love, care and lifelong support.

This event and partnership with Triumphant Tails Inc. is just one example of the many programs the City of La Porte Animal Shelter and Adoption Facility host in the continuation of our committed effort to find loving homes for all the animals in our care.

For the low adoption fee of \$50, you could take home one of the animals that come into our care. The adoption fee comes with a voucher to have your new family member spayed or neutered and Rabies Vaccination. The Adoption Center also provides free basic vaccinations and a registered microchip with each adoption.
