citizens from La Porte's local faith communities, specially trained in crisis response, who work alongside LPPD officers. The Chaplain's goal is to restore stability to officers and their families, and give them an outlet for stressors they encounter on a daily basis. In addition, Chaplains are available for callouts to emergency situations in support of the entire La Pore community; providing relief, counseling, and other resources to citizens during times of crisis.

Such selfless contributions are but a few examples which the entire staff of La Porte PD has come to cherish and appreciate. The next time you encounter a Police Chaplain, the men and women of the LPPD ask that you shake their hand and thank them for their commitment.
